

Write your first step here.

→ Break your task down into smaller steps...  
→ ...and the task seems less daunting.  
→ You can even break it down...  
→ ...into smaller steps if you need to.

Write your second step here.  
→ Then, break it on down!  
→ Have fun with this!

Use artsy materials to make your mind map.  
← crayons  
← paint  
← glitter

Add more branches as needed.  
→ And that's how you make a mind map.  
← No limits with this method.  
← It's totally up to you.

Write your third step here.  
← Try Post-It Notes — easy to rearrange.
