

Project name goes here  
(paint a mural,  
world domination, etc.)

Write your first step here.

→ Break your task down into smaller steps...  
→ ...and the task seems less daunting.  
→ You can even break it down...  
→ ...into smaller steps if you need to.

→ Write your second step here.  
→ Have fun with this!  
→ Then, break it on down!

Use artsy materials to make your mind map.  
crayons ←  
paint ←  
glitter ←

Write your third step here.

Try Post-It Notes — easy to rearrange.

→ Add more branches as needed.  
→ And that's how you make a mind map.  
No limits with this method.  
It's totally up to you.
