1859 securities as are provided by law for the investment of the
1860 sinking funds of the state.

1861 (b) In the event that all or any part of the bonds and

2538 (2) Any contract between a public agency entered into with
2539 the authority pursuant to any of the powers granted by this act
2540 shall be binding upon said public agency according to its terms,
2541 and such public agency shall have the power to enter into such
2542 contracts as in the discretion of the governing authorities
2543 thereof would be to the best interest of the people of such public
2544 agency. Such contracts may include within the discretion of such
2545 governing authorities of public agencies defined under Section
2546 57-75-5(h) (ii) a pledge of the full faith and credit of such
2547 public agency or any other lawfully available funds for the
2548 performance thereof. If at any time title to or possession of the
2549 project or any such facility is held by any public body or
2550 governmental agency other than the authority, including any agency
2551 or instrumentality of the United States of America, the agreements
2552 referred to in this section shall inure to the benefit of and may
2553 be enforced by such public body or governmental agency.

2554 (3) Notwithstanding any provisions of this act to the
2555 contrary, any contract entered into between the authority and any
2556 public agency for the appropriation or payment of funds to the
2557 authority under item (a) (ii) or (a) (iv) of this section shall
2558 contain a provision therein requiring periodic payments by the

2560 and, if the public agency is not a county or municipality, such

2561 contract shall include as an additional party to the contract the
2562 county or municipality (referred to in this paragraph as "levying
2563 authority") that levies and collects taxes for the contracting
2564 public agency. If the public agency fails to pay its indebtedness
2565 for any month, the authority shall certify to the * * * Department
2566 of Revenue, or other appropriate agency, the amount of the
2567 delinquency, and the * * * Department of Revenue shall deduct such
2568 amount from the public agency's or levying authority's, as the
2569 case may be, next allocation of sales taxes, petroleum taxes,
2570 highway privilege taxes, severance taxes, Tennessee Valley
2571 Authority payments in lieu of taxes and homestead exemption
2572 reimbursements in that order of priority. The * * * Department of
2573 Revenue, or other appropriate agency, shall pay the sums so
2574 deducted to the authority to be applied to the discharge of the
2575 contractual obligation.

2576 (4) Notwithstanding any provision of this act to the
2577 contrary, all loans made pursuant to Section 57-75-11(hh) and this
2578 section shall be for a term not to exceed twenty (20) years as may
2579 be determined by the authority, shall bear interest at such rates
2580 as may be determined by the authority, shall, in the sole
2581 discretion of the authority, be secured in an amount and a manner
2582 as may be determined by the authority.

2583 (5) (a) Before authorizing any loan to a public agency
2584 defined in Section 57-75-5(h) (ii), a local governmental unit, the
2585 governing authority of such local governmental unit in connection

2586 with a project defined in Section 57-75-5(f) (ii), shall adopt a
2587 resolution declaring its intention so to do, stating the amount of
2588 the loan proposed to be authorized and the purpose for which the
2589 loan is to be authorized, and the date upon which the loan will be
2590 authorized. Such resolution shall be published once a week for at
2591 least three (3) consecutive weeks in at least one (1) newspaper
2592 published in such local governmental unit. The first publication
2593 of such resolution shall be made not less than twenty-one (21)
2594 days before the date fixed in such resolution for the
2595 authorization of the loan and the last publication shall be made
2596 not more than seven (7) days before such date. If no newspaper is
2597 published in such local governmental unit, then such notice shall
2598 be given by publishing the resolution for the required time in
2599 some newspaper having a general circulation in such local
2600 governmental unit and, in addition, by posting a copy of such
2601 resolution for at least twenty-one (21) days next preceding the
2602 date fixed therein at three (3) public places in such local
2603 governmental unit. If fifteen percent (15%) of the qualified
2604 electors of the local governmental unit or fifteen hundred (1500),
2605 whichever is the lesser, file a written protest against the
2606 authorization of such loan on or before the date specified in such
2607 resolution, then an election on the question of the authorization
2608 of such loan shall be called and held as otherwise provided for in
2609 connection with the issuance of general obligation indebtedness of
2610 such local governmental unit. Notice of such election shall be

2611 given as otherwise required in connection with the issuance of
2612 general obligation indebtedness of such local governmental unit.
2613 If three-fifths (3/5) of the qualified electors voting in the
2614 election vote in favor of authorizing the loan, then the governing
2615 authority of the local governmental unit shall proceed with the
2616 loan; however, if less than three-fifths (3/5) of the qualified
2617 electors voting in the election vote in favor of authorizing the
2618 loan, then the loan shall not be incurred. If no protest be
2619 filed, then such loan may be entered into by the local
2620 governmental unit without an election on the question of the
2621 authorization of such loan, at any time within a period of two (2)
2622 years after the date specified in the resolution. However, the
2623 governing authority of any local governmental unit, in its
2624 discretion, may nevertheless call an election on such question, in
2625 which event it shall not be necessary to publish the resolution
2626 declaring its intention to authorize such loan as provided in this
2627 subsection.

2628 (b) Local governmental units may, in connection with
2629 any such loan, enter into any covenants and agreements with
2630 respect to such local governmental unit's operations, revenues,
2631 assets, monies, funds or property, or such loan, as may be
2632 prescribed by the authority.

2633 (c) Upon the making of any such loan by the authority
2634 to any local governmental unit, such local governmental unit shall
2635 be held and be deemed to have agreed that if such governmental

2636 unit fails to pay the principal of, premium, if any, and interest
2637 on any such loan as when due and payable, such governmental unit
2638 shall have waived any and all defenses to such nonpayment, and the
2639 authority, upon such nonpayment, shall thereupon avail itself of
2640 all remedies, rights and provisions of law applicable in such
2641 circumstance, including without limitation any remedies or rights
2642 theretofore agreed to by the local governmental unit, and that
2643 such loan shall for all of the purposes of this section, be held
2644 and be deemed to have become due and payable and to be unpaid.
2645 The authority may carry out the provisions of this section and
2646 exercise all of the rights and other applicable laws of this
2647 state.

2648 (d) This section shall be deemed to provide an
2649 additional, alternative and complete method for the doing of the
2650 things authorized by this section and shall be deemed and
2651 construed to be supplemental to any power conferred by other laws
2652 on public agencies and not in derogation of any such powers. Any
2653 obligation incurred pursuant to the provisions of this section
2654 shall not constitute an indebtedness of the public agency within
2655 the meaning of any constitutional or statutory limitation or
2656 restriction. For purposes of this act, a public agency shall not
2657 be required to comply with the provisions of any other law except
2658 as provided in this section.

2659 (6) Any public agency providing any utility service or
2660 services, to any project defined in Section 57-75-5(f)(iv)1 may

2664 located thereon, whether the facilities are owned by the owner of
2665 the land, a lessee, sublessee or a third party, and whether the
2666 public agency is a lessor, lessee or owner of the land. Any such
2667 public agency may also enter into operating agreements and/or
2668 lease-purchase agreements with respect to land or utility
2669 facilities as owner, operator, lessor or lessee for any period of
2670 time not to exceed thirty (30) years. Any such public agency may
2671 also enter into contracts for the provision of utilities for any
2672 period of time not to exceed thirty (30) years and may set a
2673 special rate structure for such utilities.

2674 (7) (a) No well shall be permitted by any public agency
2675 responsible for the conservation of oil and gas in the State of
2676 Mississippi to be drilled on or under a tract of land which is a
2677 part of a project owned or operated by an enterprise as defined in
2678 Section 57-75-5(f) (xxix) and which enterprise is a nonconsenting
2679 owner as defined in Section 53-3-7(1), which owns both the surface
2680 estate of said tract of land and also owns one hundred percent
2681 (100%) of the drilling rights in said tract of land.

2683 of a project as defined in Section 57-75-5(f) (xxix) shall be

3144 or after the effective date of Senate Bill 2307, 1987 Regular
3145 Session (Chapter 359, eff March 18, 1987). This paragraph shall
3146 not be applicable to and shall not be construed to validate the
3147 inclusion of buildings or grounds of any state institution within
3148 the area of a municipal incorporation or expansion where such
3149 inclusion or the proceedings involving such inclusion were
3150 declared invalid or void in a final adjudication of a court of

3978 shall be exempt from one-half (1/2) of the taxes imposed on such
3979 transactions under this chapter.

3980 **SECTION 14.** Section 29-1-1, Mississippi Code of 1972, is
3981 amended as follows:

3982 29-1-1. (1) Except as otherwise provided in subsections
3983 (7), (8) * * *, (9) and (13) of this section, the title to all
3984 lands held by any agency of the State of Mississippi shall appear
3985 on all deeds and land records under the name of the "State of
3986 Mississippi." A deed may also recite the name of the agency for
3987 whose benefit and use the land is acquired, but the recital shall
3988 not be deemed or construed to be a limitation on the grant or an
3989 impairment of title held by the State of Mississippi. Use and
3990 possession of the land may be reassigned by act of the Legislature
3991 or by interagency conveyance where each agency has statutory
3992 authority to acquire and dispose of land. For the purpose of this

3993 section, the term "agency" shall be defined as set forth in
3994 Section 31-7-1(a). The provisions of this section shall not
3995 affect the authority of any agency to use any land held by the
3996 agency. No assets or property of the Public Employees' Retirement
3997 System of Mississippi shall be transferred in violation of Section
3998 272A of the Mississippi Constitution of 1890. Each state agency
3999 shall inventory any state-held lands which are titled in the name
4000 of the agency. The agency shall execute quitclaim deeds and any
4001 other necessary documents to transfer the name and title of the
4002 property to the State of Mississippi. State agencies shall
4003 furnish to the Secretary of State certified copies of the
4004 quitclaim deeds and all other deeds whereby the state agency
4005 acquires or disposes of state-held land.

4006 (2) The Secretary of State, under the general direction of
4007 the Governor and as authorized by law, shall sell and convey the
4008 public lands in the manner and on the terms provided herein for
4009 the several classes thereof; he shall perform all the
4010 administrative and executive duties appertaining to the selection,
4011 location, surveying, platting, listing, and registering these
4012 lands or otherwise concerning them; and he shall investigate the
4013 status of the various "percent" funds accrued and accruing to the
4014 state from the sale of lands by the United States, and shall
4015 collect and pay the funds into the Treasury in the manner provided
4016 by law. The Secretary of State, with the approval of the

4017 Governor, acting on behalf of the state, may accept gifts or
4018 donations of land to the State of Mississippi.

4019 (3) In accordance with Sections 7-11-11 and 7-11-13, the
4020 Secretary of State shall be required to sign all conveyances of
4021 all state-held land. For purposes of this section, the term
4022 "conveyance" shall mean any sale or purchase of land by the State
4023 of Mississippi for use by any agency, board or commission thereof.
4024 Failure to obtain legislative approval pursuant to subsection (4)
4025 of this section and the signature of the Secretary of State on any
4026 conveyance regarding the sale or purchase of lands for the state
4027 including any agency, board or commission thereof, shall render
4028 the attempted sale or purchase of the lands void. Nothing in this
4029 section shall be construed to authorize any state agency, board,
4030 commission or public official to convey any state-held land unless
4031 this authority is otherwise granted by law. The Secretary of
4032 State shall not withhold arbitrarily his signature from any
4033 purchase or sale authorized by the Mississippi State Legislature.
4034 Except for those lands forfeited to the state for the nonpayment
4035 of taxes, conveyed to another state agency or entity as provided
4036 in subsection (11) of this section or acquired by the Mississippi
4037 Transportation Commission under Section 65-1-123, no state-held
4038 land shall be sold for less than the fair market value as
4039 determined by two (2) professional appraisers selected by the
4040 State Department of Finance and Administration, who are certified
4041 general appraisers of the State of Mississippi. The proceeds from

4042 any sale by an agency, board, commission or public official of
4043 state-held lands shall be deposited into the State General Fund
4044 unless otherwise provided by law.

4045 (4) Before any state-held land is sold to any individual or
4046 private entity, thirty (30) days' advance notice of the intended
4047 sale shall be provided by the Secretary of State to the State
4048 Legislature and to all state agencies for the purpose of
4049 ascertaining whether an agency has a need for the land and for the
4050 purpose of ascertaining whether the sale of the land was
4051 authorized by law. If no agency of the state expresses in writing
4052 to the Secretary of State by the end of the thirty-day period a
4053 desire to use the land, then the Secretary of State, with the
4054 prior approval of the Mississippi Legislature to sell the
4055 state-held land, may offer the land for sale to any individual or
4056 private entity. Such notice to state agencies is given in aid of
4057 internal management of the real property inventory of the state,
4058 and this notice requirement shall not be applied to challenge or
4059 defeat any title heretofore or hereafter granted by the state
4060 under any law authorized by the Mississippi Legislature providing
4061 for the sale or disposal of property.

4062 (5) A cultural resources survey may be performed on any
4063 state-held land before the disposition of the land if the * * *
4064 Mississippi Department of Archives and History deems this survey
4065 necessary. The cost of the survey and any archaeological studies
4066 deemed necessary by the * * * Mississippi Department of Archives

4067 and History shall be paid by the selling agency and recouped from
4068 the proceeds of the sale.

4069 (6) Before any land may be purchased by the state for the
4070 benefit of any state agency, the Secretary of State, or his
4071 designee, shall search and examine all state land records to
4072 determine whether the state owns any land that may fit the
4073 particular need of the agency. The Secretary of State, or his
4074 designee, shall notify the agency if it is determined that any
4075 state-held land is available for use by the agency. The agency
4076 shall determine if such land accommodates its needs and shall
4077 determine whether to make an official request to the proper
4078 authorities to have the use of the land.

4079 (7) This section shall not apply to: (a) any lands
4080 purchased or acquired for construction and maintenance of highways
4081 or highway rights-of-way by the Mississippi Department of
4082 Transportation, or (b) any lands acquired by the state by
4083 forfeiture for nonpayment of ad valorem taxes and heretofore or
4084 hereafter sold under authority of any other section of Chapter 1,
4085 Title 29, specifically relating to tax-forfeited lands.

4086 (8) This section shall not apply to any lands purchased
4087 solely by the use of federal funds or lands for which authority to
4088 transfer or dispose of these lands is governed by federal law or
4089 federal regulations insofar as the application of this section
4090 limits or impairs the ability of the Secretary of State to acquire
4091 or dispose of the land. However, any state agency acquiring or

4092 disposing of land exempted from the application of this section by
4093 this subsection shall furnish the Secretary of State certified
4094 copies of all deeds executed for those transfers or disposals.

4095 (9) Any lands purchased by the Mississippi Major Economic
4096 Impact Authority for a "project" as defined in Section 57-75-5
4097 shall be excluded from the provisions of this section.

4098 (10) The Secretary of State may recover from any agency,
4099 corporation, board, commission, entity or individual any cost that
4100 is incurred by his office for the record-keeping responsibilities
4101 regarding the sale or purchase of any state-held lands.

4102 (11) Subsections (4), (5) and (6) of this section shall not
4103 apply to sales or purchases of land when the Legislature expressly
4104 authorizes or directs a state agency to sell, purchase or
4105 lease-purchase a specifically described property. However, when
4106 the Legislature authorizes a state agency to sell or otherwise
4107 convey specifically described real property to another state
4108 agency or other entity such as a county, municipality, economic
4109 development district created under Section 19-5-99 or similar
4110 entity, without providing that the conveyance may not be made for
4111 less than the fair market value of the property, then the state
4112 agency authorized to convey such property must make the following
4113 determinations before conveying the property:

4114 (a) That the state agency or other entity to which the
4115 proposed conveyance is to be made has an immediate need for the
4116 property;

4117 (b) That there are quantifiable benefits that will
4118 inure to the state agency or other entity to which the proposed
4119 conveyance is to be made which outweigh any quantifiable costs to
4120 the state agency authorized to make the conveyance; and

4121 (c) That the state agency or other entity to which the
4122 proposed conveyance is to be made lacks available funds to pay
4123 fair market value for the property. If the state agency
4124 authorized to convey such property fails to make such
4125 determinations, then it shall not convey the property for less
4126 than the fair market value of the property.

4127 (12) This section shall not apply to the donation and
4128 conveyance of the Nanih Waiya State Park to the Mississippi Band
4129 of Choctaw Indians.

4130 (13) This section shall not apply to any lands acquired,
4131 sold, or leased pursuant to Section 59-5-1 et seq.

4132 **SECTION 15.** Section 31-19-25, Mississippi Code of 1972, is
4133 amended as follows:

4134 31-19-25. All bonds issued pursuant to any laws of this
4135 state and hereafter sold by the governing authority of or on
4136 behalf of any county, road district, school district, drainage
4137 district or other political subdivision or instrumentality of this
4138 state shall be advertised for sale on sealed bids or at public
4139 auction. Such advertisement shall be published at least two (2)
4140 times in a newspaper published in the county in which the
4141 political subdivision or instrumentality is situated, and if no

4142 newspaper is published in such county, then in a newspaper
4143 published in an adjoining county; with respect to a political
4144 subdivision or instrumentality which is composed of more than one
4145 (1) county, such advertisement shall be published at least two (2)
4146 times in a newspaper having a general circulation in each county
4147 all or a portion of which is part of the political subdivision or
4148 instrumentality. The first publication in each case shall be made
4149 at least ten (10) days preceding the date fixed for the reception
4150 of bids, and such notice shall give the time and place of sale.

4151 The governing authority may reject any and all bids, whether
4152 so stated in the notice of sale or not. If the bonds are not sold
4153 pursuant to such advertisement, they may be sold by the governing
4154 authority by private sale at any time within sixty (60) days after
4155 the date advertised for the reception of bids; but no such private
4156 sale shall be made at a price less than the highest bid which
4157 shall have been received pursuant to such advertisement. If not
4158 so sold at private sale, said bonds shall be readvertised in the
4159 manner herein prescribed.

4160 Every bid for the purchase of any of such bonds shall be
4161 accompanied by a cashier's check, certified check or exchange,
4162 payable to the proper governing authority, issued or certified by
4163 a bank located in this state in the amount of not less than two
4164 percent (2%) of the par value of the bonds offered for sale, as a
4165 guaranty that the bidder will carry out his contract and purchase
4166 the bonds if the bid is accepted. If the successful bidder fails

4167 to purchase the bonds pursuant to his bid and contract, the amount
4168 of such good faith check shall be retained by the governing
4169 authority and covered into the proper fund as liquidated damages
4170 for such failure.

4171 This section shall not apply to the sale of bonds by the
4172 State of Mississippi through the State Bond Commission or the sale
4173 of bonds or any other indebtedness incurred by a county in
4174 connection with a project as defined under Section
4175 57-75-5(f) (xxviii) or Section 57-75-5(f) (xxix).

4176 A failure to comply with any provision of this section shall
4177 not invalidate such bonds, but any member of the governing board,
4178 commission or other governing authority who shall willfully
4179 violate any of said provisions and shall willfully fail to give
4180 the notices herein required shall be liable personally and on his
4181 official bond for a penalty in each case of Five Hundred Dollars
4182 (\$500.00) and, in addition thereto, for all financial loss that
4183 may result to the county, municipality, road district, school
4184 district, drainage district or other political subdivision or
4185 instrumentality of the state or county resulting from such willful
4186 failure to comply herewith. Such penalty and damages may be
4187 recovered by suit of the Attorney General, a district attorney or
4188 of any citizen of such county or other political subdivision in
4189 any court of competent jurisdiction, for the use and benefit of
4190 the county or other such political subdivision or instrumentality.

4191 **SECTION 16.** Section 43-37-3, Mississippi Code of 1972, is
4192 amended as follows:

4193 43-37-3. (1) Any person, agency or other entity acquiring
4194 real property for any project or program in which public funds are
4195 used shall comply with the following policies:

4196 (a) Every reasonable effort shall be made to acquire
4197 expeditiously real property by negotiation.

4198 (b) Real property shall be appraised before the
4199 initiation of negotiations, except that the acquiring person,
4200 agency or other entity may adopt a procedure in compliance with
4201 federal regulations to waive the appraisal in cases involving the
4202 acquisition by sale or donation of property with a low fair market
4203 value. For the purposes of this chapter, property with a low fair
4204 market value is property with a fair market value of Ten Thousand
4205 Dollars (\$10,000.00) or less. The owner or his designated
4206 representative shall be given an opportunity to accompany the
4207 appraiser during his inspection of the property.

4208 (c) (i) Except as otherwise provided in subparagraph
4209 (ii) of this paragraph, the price that shall be paid for real
4210 property shall be the lesser of the best negotiated price or the
4211 approved appraisal of the fair market value or the price at which
4212 the property is offered for sale. Any decrease or increase in the
4213 fair market value of real property prior to the date of valuation
4214 caused by the public improvement for which the property is
4215 acquired or by the likelihood that the property would be acquired

4216 for such improvement, other than that due to physical
4217 deterioration within the reasonable control of the owner, will be
4218 disregarded in determining the compensation for the property. The
4219 owner of the real property to be acquired shall be provided with a
4220 written statement of, and summary of the basis for, the amount
4221 established as just compensation. Where appropriate, the just
4222 compensation for the real property acquired and for damages to
4223 remaining real property shall be separately stated.

4224 (ii) The purchase price for real property may
4225 exceed the amount offered as just compensation for the property
4226 when reasonable efforts to negotiate an agreement at that amount
4227 have failed, and the person, agency or other entity seeking to
4228 acquire the property approves an administrative settlement as
4229 reasonable, prudent and in the best interests of the public. When
4230 state funds pay for all or a portion of the acquisition, the
4231 purchasing person, agency or other entity shall prepare a written
4232 statement explaining the reasons that justified the purchase price
4233 exceeding the amount offered as just compensation, including any
4234 anticipated trial risks, and any available information supporting
4235 an administrative settlement.

4236 (d) No owner shall be required to surrender possession
4237 of real property before the agreed purchase price is paid or there
4238 is deposited with the state court, in accordance with applicable
4239 law, for the benefit of the owner an amount not less than the
4240 approved appraisal of the fair market value of such property, or

4241 the amount of the award of compensation in the condemnation
4242 proceeding of such property.

4243 (e) The construction or development of a public
4244 improvement shall be so scheduled that, to the greatest extent
4245 practicable, no person lawfully occupying real property shall be
4246 required to move from a dwelling (assuming a replacement dwelling
4247 will be available) or to move his business or farm operation
4248 without at least ninety (90) days' written notice from the date by
4249 which such move is required.

4250 (f) If an owner or tenant is permitted to occupy the
4251 real property acquired on a rental basis for a short term or for a
4252 period subject to termination by the acquiring authority on short
4253 notice, the amount of rent required shall not exceed the fair
4254 rental value of the property to a short-term occupier.

4255 (g) In no event shall the time of condemnation be
4256 advanced, or negotiations or condemnation and the deposit of funds
4257 in court for the use of the owner be deferred, or any other
4258 coercive action be taken to compel an agreement on the price to be
4259 paid for the property.

4260 (h) If an interest in real property is to be acquired
4261 by exercise of power of eminent domain, formal condemnation
4262 proceedings shall be instituted. The acquiring authority shall
4263 not intentionally make it necessary for an owner to institute
4264 legal proceedings to prove the fact of the taking of his real
4265 property.

4266 (i) If the acquisition of only part of the property
4267 would leave its owner with an uneconomic remnant, an offer to
4268 acquire that remnant shall be made. For the purposes of this
4269 chapter, an uneconomic remnant is a parcel of real property in
4270 which the owner is left with an interest after the partial
4271 acquisition of the owner's property and which the person, agency
4272 or other entity acquiring the property determines has little or no
4273 value or utility to the owner.

4274 (j) A person whose real property is being acquired in
4275 accordance with this chapter may, after the person has been fully
4276 informed of his right to receive just compensation for such
4277 property, donate such property, any part thereof, any interest
4278 therein or any compensation paid therefor to the person, agency or
4279 other entity acquiring the property in such manner as he so
4280 determines.

4281 (2) Any real property acquired by any person, agency or
4282 other entity using public funds in accordance with Section
4283 57-75-37(3) or Section 57-75-37(4) shall be exempt from the
4284 provisions of subsection (1)(b) and (c) of this section to the
4285 extent permitted by Section 57-75-37(3) or Section 57-75-37(4).

4286 **SECTION 17.** Section 27-13-5, Mississippi Code of 1972, is
4287 amended as follows:

4288 27-13-5. (1) **Franchise tax levy.** Except as otherwise
4289 provided in subsections (3), (4), (5) and (7) of this section,
4290 there is hereby imposed, to be paid and collected as hereinafter

4291 provided, a franchise or excise tax upon every corporation,
4292 association or joint-stock company or partnership treated as a
4293 corporation under the income tax laws or regulations, organized or
4294 created for pecuniary gain, having privileges not possessed by
4295 individuals, and having authorized capital stock now existing in
4296 this state, or hereafter organized, created or established, under
4297 and by virtue of the laws of the State of Mississippi, equal to
4298 Two Dollars and Fifty Cents (\$2.50) for each One Thousand Dollars
4299 (\$1,000.00), or fraction thereof, of the value of the capital
4300 used, invested or employed in the exercise of any power, privilege
4301 or right enjoyed by such organization within this state, except as
4302 hereinafter provided. In no case shall the franchise tax due for
4303 the accounting period be less than Twenty-five Dollars (\$25.00).
4304 It is the purpose of this section to require the payment to the
4305 State of Mississippi of this tax for the right granted by the laws
4306 of this state to exist as such organization, and to enjoy, under
4307 the protection of the laws of this state, the powers, rights,
4308 privileges and immunities derived from the state by the form of
4309 such existence.

4310 (2) **Annual report of domestic corporations.** Each domestic
4311 corporation shall file an annual report as required by the
4312 provisions of Section 79-4-16.22.

4313 (3) (a) A corporation that has negotiated a fee-in-lieu as
4314 defined in Section 57-75-5 shall not be subject to the tax levied
4315 by this section on such project; * * * however, * * * the

4316 fee-in-lieu payment shall be otherwise treated in the same manner
4317 as the payment of franchise taxes.

4318 (b) (i) As used in this paragraph:

4319 1. "Authority" shall have the meaning
4320 ascribed to such term in Section 57-75-5(b);

4321 2. "Project" shall have the meaning ascribed
4322 to such term in Section 57-75-5(f)(xxix); and

4323 3. "Enterprise" shall mean the corporation
4324 authorized for the project pursuant to Section 57-75-5(f)(xxix).

4325 (ii) The term of the franchise tax fee-in-lieu
4326 agreement negotiated under this subsection and authorized by
4327 Section 57-75-5(j), between the authority and the enterprise for
4328 the project shall not exceed twenty five (25) years. The
4329 franchise tax fee-in-lieu agreement shall apply only to new
4330 franchise tax liability attributable to the project, and shall not
4331 apply to any existing franchise tax liability of the enterprise in
4332 connection with any current operations in this state.

4333 (iii) In the event that the annual number of
4334 full-time jobs maintained by the enterprise falls below the
4335 minimum annual number of full-time jobs required by the authority
4336 pursuant to a written agreement between the authority and the
4337 enterprise for two (2) consecutive years, the franchise tax
4338 fee-in-lieu for the project shall be suspended until the first tax
4339 year during which the annual number of full-time jobs maintained
4340 by the enterprise reaches the minimum annual number of full-time

4341 jobs required by the authority pursuant to a written agreement
4342 between the authority and the enterprise.

4343 (iv) The enterprise shall be entitled to utilize a
4344 single sales apportionment factor in the calculation of its
4345 liability for franchise tax imposed by this chapter which is
4346 attributable to the project for any year for which it files a
4347 Mississippi franchise tax return. The enterprise shall be
4348 entitled to continue to utilize such single sales apportionment
4349 factor notwithstanding a suspension of the franchise tax
4350 fee-in-lieu pursuant to subparagraph (iii) of this paragraph.

4351 (4) An approved business enterprise as defined in the Growth
4352 and Prosperity Act shall not be subject to the tax levied by this
4353 section on the value of capital used, invested or employed by the
4354 approved business enterprise in a growth and prosperity county or
4355 supervisors district as provided in the Growth and Prosperity Act.

4356 (5) A business enterprise operating a project as defined in
4357 Section 57-64-33, in a county that is a member of a regional
4358 economic development alliance created under the Regional Economic
4359 Development Act shall not be subject to the tax levied by this
4360 section on the value of capital used, invested or employed by the
4361 business enterprise in such a county as provided in Section
4362 57-64-33.

4363 (6) The tax levied by this chapter and paid by a business
4364 enterprise located in a redevelopment project area under Sections

4365 57-91-1 through 57-91-11 shall be deposited into the Redevelopment
4366 Project Incentive Fund created in Section 57-91-9.

4367 (7) A business enterprise as defined in Section 57-113-1
4368 that is exempt from certain state taxes under Section 57-113-5
4369 shall not be subject to the tax levied by this section on the
4370 value of capital used, invested or employed by the business
4371 enterprise.

4372 **SECTION 18.** Section 27-13-7, Mississippi Code of 1972, is
4373 amended as follows:

4374 27-13-7. (1) **Franchise tax levy.** Except as otherwise
4375 provided in subsections (3), (4), (5) and (7) of this section,
4376 there is hereby imposed, levied and assessed upon every
4377 corporation, association or joint-stock company, or partnership
4378 treated as a corporation under the income tax laws or regulations
4379 as hereinbefore defined, organized and existing under and by
4380 virtue of the laws of some other state, territory or country, or
4381 organized and existing without any specific statutory authority,
4382 now or hereafter doing business or exercising any power, privilege
4383 or right within this state, as hereinbefore defined, a franchise
4384 or excise tax equal to Two Dollars and Fifty Cents (\$2.50) of each
4385 One Thousand Dollars (\$1,000.00), or fraction thereof, of the
4386 value of capital used, invested or employed within this state,
4387 except as hereinafter provided. In no case shall the franchise
4388 tax due for the accounting period be less than Twenty-five Dollars
4389 (\$25.00). It is the purpose of this section to require the

4390 payment of a tax by all organizations not organized under the laws
4391 of this state, measured by the amount of capital or its
4392 equivalent, for which such organization receives the benefit and
4393 protection of the government and laws of the state.

4394 (2) **Annual report of foreign corporations.** Each foreign
4395 corporation authorized to transact business in this state shall
4396 file an annual report as required by the provisions of Section
4397 79-4-16.22.

4398 (3) (a) A corporation that has negotiated a fee-in-lieu as
4399 defined in Section 57-75-5 shall not be subject to the tax levied
4400 by this section on such project; * * * however, * * * the
4401 fee-in-lieu payment shall be otherwise treated in the same manner
4402 as the payment of franchise taxes.

4403 (b) (i) As used in this paragraph:

4404 1. "Authority" shall have the meaning
4405 ascribed to such term in Section 57-75-5(b);

4406 2. "Project" shall have the meaning ascribed
4407 to such term in Section 57-75-5(f)(xxix); and

4408 3. "Enterprise" shall mean the corporation
4409 authorized for the project pursuant to Section 57-75-5(f)(xxix).

4410 (ii) The term of the franchise tax fee-in-lieu
4411 agreement negotiated under this subsection and authorized by
4412 Section 57-75-5(j), between the authority and the enterprise for
4413 the project shall not exceed twenty-five (25) years. The
4414 franchise tax fee-in-lieu agreement shall apply only to new

4415 franchise tax liability attributable to the project, and shall not
4416 apply to any existing franchise tax liability of the enterprise in
4417 connection with any current operations in this state.

4418 (iii) In the event that the annual number of
4419 full-time jobs maintained by the enterprise falls below the
4420 minimum annual number of full-time jobs required by the authority
4421 pursuant to a written agreement between the authority and the
4422 enterprise for two (2) consecutive years, the franchise tax
4423 fee-in-lieu for the project shall be suspended until the first tax
4424 year during which the annual number of full-time jobs maintained
4425 by the enterprise reaches the minimum annual number of full-time
4426 jobs required by the authority pursuant to a written agreement
4427 between the authority and the enterprise.

4428 (iv) The enterprise shall be entitled to utilize a
4429 single sales apportionment factor in the calculation of its
4430 liability for franchise tax imposed by this chapter which is
4431 attributable to the project for any year for which it files a
4432 Mississippi franchise tax return. The enterprise shall be
4433 entitled to continue to utilize such single sales apportionment
4434 factor notwithstanding a suspension of the franchise tax
4435 fee-in-lieu pursuant to subparagraph (iii) of this paragraph.

4436 (4) An approved business enterprise as defined in the Growth
4437 and Prosperity Act shall not be subject to the tax levied by this
4438 section on the value of capital used, invested or employed by the

4439 approved business enterprise in a growth and prosperity county or
4440 supervisors district as provided in the Growth and Prosperity Act.

4441 (5) A business enterprise operating a project as defined in
4442 Section 57-64-33, in a county that is a member of a regional
4443 economic development alliance created under the Regional Economic
4444 Development Act shall not be subject to the tax levied by this
4445 section on the value of capital used, invested or employed by the
4446 business enterprise in such a county as provided in Section
4447 57-64-33.

4448 (6) The tax levied by this chapter and paid by a business
4449 enterprise located in a redevelopment project area under Sections
4450 57-91-1 through 57-91-11 shall be deposited into the Redevelopment
4451 Project Incentive Fund created in Section 57-91-9.

4452 (7) A business enterprise as defined in Section 57-113-1
4453 that is exempt from certain state taxes under Section 57-113-5
4454 shall not be subject to the tax levied by this section on the
4455 value of capital used, invested or employed by the business
4456 enterprise.

4457 **SECTION 19.** Section 19-9-5, Mississippi Code of 1972, is
4458 amended as follows:

4459 19-9-5. No county shall hereafter issue bonds secured by a
4460 pledge of its full faith and credit for the purposes authorized by
4461 law in an amount which, when added to the then outstanding bonds
4462 of such county, shall exceed either (a) fifteen percent (15%) of
4463 the assessed value of the taxable property within such county

4464 according to the last completed assessment for taxation, or (b)
4465 fifteen percent (15%) of the assessment upon which taxes were
4466 levied for its fiscal year ending September 30, 1984, whichever is
4467 greater.

4468 However, any county in the state which shall have experienced
4469 washed-out or collapsed bridges on the public roads of the county
4470 for any cause or reason may hereafter issue bonds for bridge
4471 purposes as now authorized by law in an amount which, when added
4472 to the then outstanding general obligation bonds of such county,
4473 shall not exceed either (a) twenty percent (20%) of the assessed
4474 value of the taxable property within such county according to the
4475 last completed assessment for taxation or (b) fifteen percent
4476 (15%) of the assessment upon which taxes were levied for its
4477 fiscal year ending September 30, 1984, whichever is greater.

4478 Provided further, in computing such indebtedness, there may
4479 be deducted all bonds or other evidences of indebtedness
4480 heretofore or hereafter issued, for the construction of hospitals,
4481 ports or other capital improvements which are payable primarily
4482 from the net revenue to be generated from such hospital, port or
4483 other capital improvement, which revenue shall be pledged to the
4484 retirement of such bonds or other evidences of indebtedness,
4485 together with the full faith and credit of the county. However,
4486 in no case shall any county contract any indebtedness payable in
4487 whole or in part from proceeds of ad valorem taxes which, when
4488 added to all of the outstanding general obligation indebtedness,

4489 both bonded and floating, shall exceed either (a) twenty percent
4490 (20%) of the assessed value of all taxable property within such
4491 county according to the last completed assessment for taxation, or
4492 (b) fifteen percent (15%) of the assessment upon which taxes were
4493 levied for its fiscal year ending September 30, 1984, whichever is
4494 greater. Nothing herein contained shall be construed to apply to
4495 contract obligations in any form heretofore or hereafter incurred
4496 by any county which are subject to annual appropriations therefor,
4497 or to bonds heretofore or hereafter issued by any county for
4498 school purposes, or to bonds issued by any county under the
4499 provisions of Sections 57-1-1 through 57-1-51, or to any
4500 indebtedness incurred under Section 55-23-8, or to bonds issued
4501 under Section 57-75-37 or to any other indebtedness incurred under
4502 57-75-37(4).

4503 **SECTION 20.** Section 29-3-29, Mississippi Code of 1972, is
4504 amended as follows:

4505 29-3-29. Before any sixteenth section school land or land
4506 granted in lieu thereof may be sold or leased for industrial
4507 development thereon, therein or thereunder under the provisions of
4508 this chapter, the board of education controlling such land shall
4509 first determine that such sale or lease will be fair market value.
4510 In the determination of the fair market value of said land the
4511 comparative sales method shall be used, and the highest and best
4512 use of said sixteenth section lands shall be determined on the
4513 basis of finding that said land shall be susceptible to any use

4514 that comparative land in private ownership may be used, that there
4515 will be prompt and substantial industrial development on, in, or
4516 under said land after the sale or lease, that the acreage to be
4517 sold or leased is not in excess of the amount of land reasonably
4518 required for immediate use and for such future expansion as may be
4519 reasonably anticipated, and that such sale or lease will be
4520 beneficial to and in the best interest of the schools of the
4521 district for which said land is held. All of said findings,
4522 including the amount of the sale price or gross rental for said
4523 land, shall be spread on the minutes of the board of education.
4524 Also, if the board of education proposes to sell said land, said
4525 board shall first enter into a contract or obtain a legal option
4526 to purchase, for a specified price not in excess of fair market
4527 value, other land in the county of acreage of equivalent fair
4528 market value, and such contract or option shall be spread on the
4529 minutes of said board. However, not more than one hundred (100)
4530 acres in any one (1) sixteenth section school lands in any county
4531 may be sold under this chapter for the purpose of being made an
4532 industrial park or a part of such industrial park, provided the
4533 provisions of this section and Sections 57-5-1 and 57-5-23 are
4534 fully complied with.

4535 A certified copy of the resolution or order of the board of
4536 education, setting out the foregoing findings, together with a
4537 certified copy of the order approving and setting out the terms of
4538 the contract or option to purchase other lands where a sale of

4539 land is proposed and an application to the Mississippi
4540 Agricultural and Industrial Board for the certificate authorizing
4541 said sale or lease, shall be forwarded to the county board of
4542 supervisors, which board shall make an independent investigation
4543 of the proposed sale or lease and of the proposed purchase of
4544 other land.

4545 If said county board of supervisors shall concur in the
4546 finding of fact of the board of education, and shall find that it
4547 is to the best interests of the schools of the district to enter
4548 into such sale or lease, it may enter on its minutes a resolution
4549 or order approving the action of the board of education.

4550 If the said county board of supervisors shall not concur in
4551 the findings of the board of education, or shall find that the
4552 proposed sale or lease will not be in the best interest of the
4553 schools of the district, then it may, by resolution or order,
4554 disapprove the proposed sale or lease, and such action shall be
4555 final.

4556 Except as otherwise permitted by Section 57-75-37(4)(f),
4557 there shall be reserved all minerals in, on, and under any lands
4558 conveyed under the provisions hereof. Provided, however, that in
4559 any county bordering on the State of Alabama, traversed by the
4560 Tombigbee River, in which U.S. Highway 82 intersects U.S. Highway
4561 45 and in which is situated a state supported institution of
4562 higher learning, upon the sale of any sixteenth section lands for
4563 industrial purposes as provided by law, the board of education,

4564 the superintendent of education and the Mississippi Agricultural
4565 and Industrial Board, may sell and convey all minerals except oil,
4566 gas, sulphur and casinghead gas on, in and under the said
4567 sixteenth section lands so sold for industrial purposes. Said
4568 oil, gas, sulphur and casinghead gas shall be reserved together
4569 with such rights of use, ingress and egress as shall not
4570 unreasonably interfere with the use of the lands by the purchaser.
4571 Prior written approval for such use, ingress and egress, shall be
4572 obtained from the surface owner or, if such approval is
4573 unreasonably withheld, may be obtained from the chancery court of
4574 the county in which said land is located.

4575 Certified copies of the resolutions or orders of the board of
4576 supervisors and of the board of education and of the application
4577 to the Mississippi Agricultural and Industrial Board shall be
4578 transmitted to the county superintendent of education, if there be
4579 one in the county, who, if he approves the proposed sale or lease,
4580 shall so certify and forward same to the Mississippi Agricultural
4581 and Industrial Board. If there be no county superintendent of
4582 education in the county, then the board of education whose
4583 district embraces the entire county shall so certify and transmit
4584 said copies to the Mississippi Agricultural and Industrial Board
4585 for further action.

4586 Upon receipt of the aforesaid application and certified
4587 copies of the said resolution and orders, the Mississippi
4588 Agricultural and Industrial Board shall make investigation to

4589 determine whether or not the proposed sale or lease of said land
4590 will promote prompt and substantial industrial development
4591 thereon, therein, or thereunder. If the board finds that such
4592 sale or lease will promote prompt and substantial industrial
4593 development thereon, therein or thereunder, and further finds that
4594 the person, firm or corporation who proposes to establish said
4595 industry is financially responsible, and that the acreage to be
4596 sold or leased is not in excess of the amount of land reasonably
4597 required for immediate use and for such future expansion as may be
4598 reasonably anticipated, then the board, in its discretion, may
4599 issue a certificate to the board of education of said district so
4600 certifying, and said certificate shall be the authority for the
4601 board of education to enter into the proposed sale or lease. If
4602 the Mississippi Agricultural and Industrial Board does not so
4603 find, then it shall decline to issue said certificate which action
4604 shall be final.

4605 The Mississippi Agricultural and Industrial Board, when
4606 issuing a certificate to the county board of education certifying
4607 its findings and authorizing said sale or lease, may,
4608 nevertheless, in its discretion, make such sale or lease
4609 conditioned on and subject to the vote of the qualified electors
4610 of said district. Upon receipt of a certificate so conditioned
4611 upon an election, or upon a petition as hereinafter provided for,
4612 the board of education, by resolution spread upon its minutes,
4613 shall forward a copy of the certificate to the board of

4614 supervisors who by resolution upon its minutes, shall call an
4615 election to be held in the manner now provided by law for holding
4616 county elections, and shall fix in such resolution a date upon
4617 which such an election shall be held, of which not less than three
4618 (3) weeks notice shall be given by the clerk of said board of
4619 supervisors by publishing a notice in a newspaper published in
4620 said county once each week for three (3) consecutive weeks
4621 preceding the same, or if no newspaper is published in said
4622 county, then in a newspaper having a general circulation therein,
4623 and by posting a notice for three (3) weeks preceding said
4624 election at three (3) public places in said county. At such
4625 election, all qualified voters of the county may vote, and the
4626 ballots used shall have printed thereon a brief statement of the
4627 proposed sale or lease of said land, including the description and
4628 price, together with the words "For the proposed sale or lease"
4629 and the words "Against the proposed sale or lease," and the voter
4630 shall vote by placing a cross (x) or check (v) opposite his choice
4631 of the proposition. Should the election provided for herein
4632 result in favor of the proposed sale or lease by at least
4633 two-thirds (2/3) of the votes cast being in favor of the said
4634 proposition, the board of supervisors shall notify the board of
4635 education who may proceed forthwith to sell or lease said land in
4636 accordance with the proposition so submitted to the electors. If
4637 less than two-thirds (2/3) of those voting in such special

4638 election vote in favor of the said sale or lease, then said land
4639 shall not be sold or leased.

4640 The board of education shall further be required, prior to
4641 passing of a resolution expressing its intent to sell said land,
4642 to publish a notice of intent to sell said land for three (3)
4643 consecutive weeks in a newspaper published in said county or, if
4644 there be none, in a newspaper having a general circulation in said
4645 county, and to post three (3) notices thereof in three (3) public
4646 places in said county, one (1) of which shall be at the
4647 courthouse, for said time. If within the period of three (3)
4648 weeks following the first publication of said intent, a petition
4649 signed by twenty percent (20%) of the qualified electors of said
4650 county shall be filed with the board of supervisors requesting an
4651 election concerning the sale, then an election shall be called as
4652 hereinabove provided.

4653 **SECTION 21.** Section 27-31-104, Mississippi Code of 1972, is
4654 amended as follows:

4655 **[Through June 30, 2022, this section shall read as follows:]**

4656 27-31-104. (1) County boards of supervisors and municipal
4657 authorities are each hereby authorized and empowered to enter into

4674 school district, and a municipality may enter into such a
4675 fee-in-lieu agreement on behalf of the municipality and any

4677 the project is located outside the limits of a municipality but
4678 within the boundaries of the municipal school district, then the
4679 county board of supervisors may enter into such a fee-in-lieu
4680 agreement on behalf of the school district granting a fee-in-lieu
4681 of ad valorem taxes for school district purposes.

4682 (* * *3) * * * Any grant of a fee-in-lieu of ad valorem
4683 taxes shall be evidenced by a written agreement negotiated by the
4684 enterprise and the county board of supervisors and/or municipal
4685 authority, as the case may be, and given final approval by the
4686 Mississippi Development Authority as satisfying the requirements
4687 of this section.

4688 (* * *4) The minimum sum allowable as a fee-in-lieu shall

4698 proportion that the millage imposed for the school districts by
4699 the appropriate levying authority bears to the millage imposed by
4700 such levying authority for all other county or municipal purposes.
4701 Any fee-in-lieu agreement entered into in under this section shall
4702 become a binding obligation of the parties to the agreement, be
4703 effective upon its execution by the parties and approval by the
4704 Mississippi Development Authority and continue until expiration of
4705 the fee-in-lieu granted under the agreement; however, the term for
4706 which the fee-in-lieu may be granted under the agreement shall not
4707 exceed a single period of ten (10) years commencing on the date
4708 specified in accordance with the agreement, except as otherwise
4709 provided in Section 17-25-23 or Section 57-75-33, or any other

4725 (* * *6) Notwithstanding Section 27-31-111, the parties to
4726 a fee-in-lieu may agree on terms and conditions providing for the
4727 reduction, suspension, termination or reinstatement of a
4728 fee-in-lieu agreement or any fee-in-lieu period granted thereunder
4729 upon the cessation of operations by project for twelve (12) or
4730 more consecutive months or due to other conditions set forth in
4731 the agreement.

4732 (7) For a project as defined in Section 57-75-5(f)(xxi) and
4733 located in a county that is a member of a regional economic
4734 development alliance created under Section 57-64-1 et seq., the
4735 members of the regional economic development alliance may divide
4736 the sum allowed as a fee-in-lieu in a manner as determined by the

4737 alliance agreement, and the boards of supervisors of the member
4738 counties may then apportion the sum allowed between school
4739 district purposes and all other county purposes.

4740 (* * *8) For a project as defined in Section
4741 57-75-5(f)(xxvi), the board of supervisors of the county in which
4742 the project is located may negotiate with the school district in
4743 which the project is located and apportion to the school district
4744 an amount of the fee-in-lieu that is agreed upon in the
4745 negotiations different than the amount provided for in subsection
4746 (3) of this section.

4747 (* * *9) For a project as defined in Section
4748 57-75-5(f)(xxviii), the annual amount of the fee-in-lieu
4749 apportioned to the county shall not be less than the amount
4750 necessary to pay the debt service on bonds issued by the county

4788 of supervisors or municipal governing authority, as the case may

4802 specified in accordance with the agreement, except as otherwise
4803 provided in Section 17-25-23 or Section 57-75-33, * * * or any
4804 other provision of law. Any such agreement shall be binding,
4805 according to its terms, on future boards of supervisors of the
4806 county and/or governing authorities of a municipality, as the case
4807 may be, for the duration of the agreement.

4808 (* * *5) The fee-in-lieu may be a stated fraction or

4856 section otherwise apply to, any fee-in-lieu of ad valorem
4857 taxation, granted pursuant to Section 27-31-104 or 27-31-105(2).

4858 Each copy shall be subscribed and sworn to by the individual

4860 or person duly authorized to do so. In the application, full
4861 information shall be given as to the property proposed to be

4862 exempted, the kind of articles to be manufactured, and the date

4883 exemption, it shall be discretionary with the board of supervisors
4884 or municipal authorities as to whether they grant the exemption,
4885 but in no event shall an exemption be granted if the * * *
4886 Department of Revenue certifies that the applicant is not eligible

4887 for an exemption. The original copy of the application for
