I just spoke to Luann Jackson, The District Attorney's scheduler again. Jackson earlier told me the DA's schedule was clear all day Tuesday, the first of December, and she was simply going to confirm the meeting time with him, see if he could meet at OSA, and call me back. However, she now says Smith wants to postpone the meeting with Stacey and David indefinitely. She didn't say why or give any other information.

He is open all day Tuesday next week, he has something on Wednesday at 3:00 so anytime before that and he is possibly going to be here on Thursday as well. Just typically I don't schedule anything earlier than 9:30 or 10:00 so let me know if there is a time that works best with the DA and I'll put it on his calendar.

Stacey is out of town all week for Thanksgiving with his family. I have emailed him to see which days he will be in the office next week and will let you know asap.

The scheduling secretary from the Hinds County District Attorney's Office returned David's call about setting up a meeting with David and Stacey. Are there any good days/times this week for Stacey to meet?
